- As a courtesy to you we will help you process all your insurance claims. Please understand that we will provide an insurance estimate to you, however, it is not a guarantee that your insurance will pay exactly as estimated. Your insurance company and your plan benefits will determine the amount paid. We will, of course, do all we can to make sure your estimate is as accurate as possible. If your insurance company has not made payment within 60 days, we will ask that you contact your insurance company to make sure payment is expected. If payment is not received or your claim is denied, you will be responsible for paying the full amount at that time.
- We ask that you sign this form and/or any other necessary documents that may be required by your insurance company. This form instructs your insurance company to make payment directly to our office.
- We ask that you pay the deductible and co-payment, which is the estimated amount, not covered by your insurance company, by cash, check, credit card or Patient Financing at the time we provide the service to you.
- We will cooperate fully with the regulations and requests of your insurance company that may assist in the claim being paid. Our office will not, however, enter into a dispute with your insurance company over any claim.
